Day 16 Review and Test

How to Use

Use this as a guide. Your students don't need to see this. If your student(s) prefer to discuss a different topic or practice different pronunciation sounds, by all means focus on what is most relevant to them!

FAQs

Q. How much time should I spend on Pronunciation Fun and The Immigrant Guide in each class?

A. 5-10 minutes each on average.

Q. When do I bring up The Immigrant Guide topic?

A. After the Culture Tip on the 3rd page of each lesson.

Q. How should I discuss The Immigrant Guide topic?

A 1. Have students read the section silently or aloud to themselves while walking around the room (this is a nonthreatening way to get

and 2. You read the section aloud and demonstrate the pronunciation explain vocabulary.

3. Have students read aloud in pairs, switching after each sentence.

4. Optional - Ask comprehension questions, use props, prompt discussions about their experience, get creative. For higher levels use the Conversation Booklet.

Q. When should I bring up Pronunciation Fun?

A. Anytime, but it's best to bring it up when that sound comes up in the lesson.

Q. How do I use Pronunciation Fun?

A See the teacher instructions in the first two pages of the book. There are free videos for at-home practice at <https://intercambio.org/curriculum-and-resources/admin-teacher-tools/>
